JACK HEWSON RAY

HOME ADDRESS

3321 S. Barrington Ave
Springfield, MO 65807
(phone: 417-889-2554)

WORK ADDRESS

Center for Archaeological Research
Missouri State University
Springfield, MO 65897
(phone: 417-836-4888)

EDUCATION

B.A. Degree in Anthropology, Western Kentucky University (May 1978)
M.A. Degree in Anthropology, University of Missouri (May 1981)

CURRENT POSITION

Assistant Research Professor & Assistant Director, Center for Archaeological Research, Missouri State University

TEACHING/RESEARCH EXPERIENCE

Research Assistantship: University of Missouri-Columbia (August 1978-May 1979) (August 1979-May 1980), Truman Reservoir mitigation project (flint knapping/replication; heat treatment of cherts; chert resource availability and utilization study)

Teaching Assistantship: (August 1980-May 1981) University of Missouri-Columbia

Teaching Assistantship: archaeological field school (summer 1981) at Arnold Research Cave (23CY64), University of Missouri-Columbia

Continuing Education Course: Identifying and dating Ozark Indian artifacts, Missouri State University (1988, 1989, 1990, 1991, 1994, 1996, 1999, 2002, 2007, 2008, 2009, 2011, 2015)

Continuing Education Course: Archaeological survey in Hercules Glades Wilderness Area, Taney County, Missouri, MSU in conjunction with Mark Twain National Forest (Fall 1991)

Instructor: Archaeological Field School, ANT 351/451/453. Missouri State University (Summer 1990, 1992, 1995, 2002, 2012-2016)

Instructor: Principles in Anthropology (ANT 125), Department of Sociology, Anthropology, and Social Work, Southwest Missouri State University (Spring 1992)

FIELD/CONTRACT EXPERIENCE

Supervising Archaeologist, Center for Archaeological Research, MSU, Fall 1982 – present.

Phase I surveys: 32,000 acres of Mark Twain National Forest lands, Projects 562, 676, 720, 729, 745, 753, 778, 824, 840; sewer line surveys, Projects 583, 588, 589, 606, 615, 616, 618, 622, 637, 641, 644, 703, 726, 728, 750, 771, 910, 1087; 1395 waterline surveys, Projects 585, 646; parcel surveys, Projects 582, 587, 634, 636, 642, 654, 679, 682, 699, 781, 831, 852, 854, 948, 953, 971, 1020, 1023, 1111, 1395, 1461, 1504, 1528, 1537, 1544; soil conservation survey, Project 723; power line survey, Project 692; bridge replacement surveys, Projects 697, 712, 811, 823, 832, 845, 853, 855, 1458, 1483, 1530, 1546; shoreline surveys, Projects 680, 707, 1425, 1429; cave and rockshelter survey, Project 744; river valley survey, Projects 861, 1044, 1051, 1149; Paleoindian point survey, Project 1209; Trinidad, West Indies survey, Project 1474; airport survey, Project 1503; quarry surveys, Projects 1485, 1493.

Phase II testing: Projects 600, 655, 662, 707, 711, 731, 734, 805, 813, 833, 838, 857, 860, 886, 887, 894, 923, 965, 977, 979, 988, 1020, 1022, 1207, 1263, 1378, 1404, 1405, 1416, 1445, 1463, 1472, 1492, 1498, 1500, 1507, 1511, 1518, 1532, 1539.

Phase III mitigation: Projects 740, 780, 888, 932, 952, 1037, 1101, 1170, 1210, 1211, 1216, 1244, 1272, 1300, 1313, 1342, 1352.

Background/Overview Projects: 1400, 1434, 1520

Consulting archaeologist, identification of chipped stone resources for Environmental Systems Analysis, Kansas City, 1985; and Archeological Assessments, Inc., Nashville, AR, 1989 and 1990.

Supervising archaeologist, Midwest Archeological Center, Fall 1983. Phase I survey of tree removal zones; Phase II excavations at the Ray House, Wilson's Creek National Battlefield, Greene County, Missouri.

Supervising archaeologist, American Resources Group, Ltd., Fall 1981-Fall 1982. Phase II testing of sites within Consolidated Coal Company strip mines, Randolph and Perry Counties, Illinois; Phase I survey of residual lands at Union Electric Company's Nuclear Power Plant, Callaway County, Missouri.

Teaching Assistant, Archaeological Field School, University of Missouri-Columbia, summer 1981.

Surveyor, Commonwealth Associates, Jackson, Michigan, Truman Reservoir 10-Year Flood Pool Survey, summer 1980

Crew Chief, Truman Reservoir Mitigation Project, University of Missouri-Columbia, summer 1979.

Crew Member, Truman Reservoir Mitigation Project, University of Missouri-Columbia, summer 1978.

PROFESSIONAL ORGANIZATIONS

Society for American Archaeology
Southeastern Archaeological Conference
Missouri Archaeological Society

RESEARCH INTERESTS

Chipped stone resource availability, procurement, and utilization; lithic technology; replication of prehistoric stone tools; human ecology; geoarchaeology and geomorphology; early prehistoric cultures.

M.A. RESEARCH PAPER

1981 *A Study of Chert Resources in the Truman Reservoir: Availability, Procurement, and Utilization*. Unpublished M.A. Research Paper presented to Dr. W. Raymond Wood, Department of Anthropology, University of Missouri-Columbia.

AWARDS AND HONORS

1999 *Temporal, Spatial, and Technological Variability at Big Eddy*. Society for American Archaeology Poster Award, 1st Place, Professional Division (with Neal H. Lopinot)

2005 Missouri Archaeological Society, Public Archaeology Award

2015 Missouri Archaeological Society, Hamilton Distinguished Service Award

CONTRACT REPORTS

- 1976 *An Archaeological Survey for the Proposed Construction of the Henderson By-Pass, Henderson, Kentucky*. Report for the Commonwealth of Kentucky, Department of Transportation. Bowling Green (with Gary S. Foster and Jack M. Schock).
- 1976 *An Archaeological Survey of the Proposed Relocation of Kentucky 11, Owsley County, Kentucky*. Report for the Commonwealth of Kentucky, Department of Transportation. Bowling Green (with Jack M. Schock).
- 1981 A Study of Chert Resources in the Truman Reservoir: Availability, Procurement, and Utilization. In: *Prehistoric Cultural Stability in the Missouri Ozarks: The Truman Reservoir Mitigation Project, Vol. II, Pt. IV, No. 2*. Ed. Donna C. Roper. Draft Copy, U.S. Army Corps of Engineers, Kansas City District.
- 1981 Replicating Chipped Stone Tool Assemblages from the Truman Reservoir. In: *Prehistoric Cultural Stability in the Missouri Ozarks: The Truman Reservoir Mitigation Project, Vol. II, Pt. IV, No. 3*. Ed. Donna C. Roper. Draft copy, U.S. Army Corps of Engineers, Kansas City District.
- 1981 The Effects of Heat Treatment on Cherts from the Truman Reservoir. In: *Prehistoric Cultural Stability in the Missouri Ozarks: The Truman Reservoir Mitigation Project, Vol. II, Pt. IV, No. 4*. Ed. Donna C. Roper. Draft copy, U.S. Army Corps of Engineers, Kansas City District.
- 1983 *Phase II Testing at Sites 23C4–172 and 21C4–202, Burning Star Mine No. 3, Eastfield, Randolph County, Illinois*. Cultural Resources Management Report No. 65, American Resources Group, Ltd., Carbondale (with Kurt R. Moore).
- 1983 *Phase II Testing at Sites 21D3–150 and 21D3–152, Burning Star Mine No. 2, Deep Strip No. 1, Perry County, Illinois*. Cultural Resources Management Report No. 64, American Resources Group, Ltd., Carbondale (with Kurt R. Moore).

- 1983 *A Cultural Resources Survey of a 254-Acre Tract for Griffith Laboratories U.S.A., Wayne County, Missouri.* Center for Archaeological Research, Southwest Missouri State University, Report No. 587 (with James E. and Cynthia R. Price).
- 1983 *An Intensive Cultural Resources Survey of the Northwest Interceptor and Treatment Plant, City of Springfield, Greene County, Missouri.* Center for Archaeological Research, Southwest Missouri State University, Report No. 589 (with Burton L. Purrington).
- 1983 *An Intensive Cultural Resources Survey of Areas to be Affected by Construction of a Proposed Waterline at West Plains, Howell County, Missouri.* Center for Archaeological Research, Southwest Missouri State University, Report No. 585 (with Burton L. Purrington).
- 1983 *An Intensive Cultural Resources Survey of Areas to be Affected by Construction of a Wastewater Interceptor System in Poplar Bluff, Butler County, Missouri.* Center for Archaeological Research, Southwest Missouri State University, Report No. 583 (with James E. and Cynthia R. Price).
- 1983 *An Intensive Cultural Resources Survey of Proposed Wastewater Treatment Facilities in 10 Planning Areas, Greene County, Missouri.* Center for Archaeological Research, Southwest Missouri State University, Report No. 588 (with David W. Benn).
- 1983 *Phase II Testing of Sites 23GR533, 23GR535, and 23GR537, Within the Northwest Interceptor and Treatment Plant Construction Areas, City of Springfield, Greene County, Missouri.* Southwest Missouri State University, Center for Archaeological Research, Report No. 600 (with David W. Benn).
- 1984 *A Phase I Cultural Resources Survey and Assessment on Residual Lands at Union Electric Company's Callaway Nuclear Power Plant, Callaway County, Missouri.* Cultural Resources Management Report No. 52, American Resources Group, Ltd., Carbondale (with Edward M. Morin, Michael J. McNerney, and R. Gail White).
- 1984 *An Intensive Cultural Resources Survey of a Proposed Sewer Expansion in the City of Owensville, Gasconade County, Missouri.* Southwest Missouri State University, Center for Archaeological Research, Report No. 606 (with David W. Benn).
- 1984 *An Intensive Cultural Resources Survey of a Proposed Sewer System in the City of Norwood, Wright County, Missouri.* Southwest Missouri State University, Center for Archaeological Research, Report No. 615 (with David W. Benn).
- 1984 *An Intensive Cultural Resources Survey of a Proposed Sewerline Easement for Swiss Villa Utilities, Stone County, Missouri.* Southwest Missouri State University, Center for Archaeological Research, Report No. 616 (with David W. Benn).
- 1984 *An Intensive Cultural Resources Survey of Additional Interceptor Sewer Lines for the City of Branson, Taney County, Missouri.* Southwest Missouri State University, Center for Archaeological Research, Report No. 618 (with David W. Benn).

- 1984 *An Intensive Cultural Resources Survey of a Proposed Interceptor Sewer Line in the City of Republic, Greene County, Missouri.* An addendum to Project No. 588. Center for Archaeological Research, Report No. 622 (with David W. Benn).
- 1984 *An Intensive Cultural Resources Survey of the Battlefield Suburban Development Zone, Greene County, Missouri.* Southwest Missouri State University, Center for Archaeological Research, Report No. 582 (with Betty Jane Turner and David W. Benn).
- 1984 *An Intensive Cultural Resources Survey of Proposed Erosion Control Waterways in the Truman Wildlife Management Area, Henry County, Missouri.* Center for Archaeological Research, Report No. 634 (with David W. Benn).
- 1984 *An Intensive Cultural Resources Survey of Proposed Cooper Park in the City of Springfield, Greene County, Missouri.* Center for Archaeological Research, Report No. 636 (with David W. Benn).
- 1984 *An Intensive Cultural Resources Survey of a Proposed Salem Industrial Park, Dent County, Missouri.* Center for Archaeological Research, Report No. 642 (with David W. Benn).
- 1984 *An Intensive Cultural Resources Survey of Proposed Interceptor Sewer Lines Treatment Plant for the City of Carl Junction, Jasper County, Missouri.* Center for Archaeological Research, Report No. 641 (with David W. Benn).
- 1984 *An Intensive Cultural Resources Survey of a Proposed Extension of a Sanitary Sewer Line for the City of Gainesville, Ozark County, Missouri.* Center for Archaeological Research, Report No. 644 (with Kerry C. McGrath).
- 1984 *An Intensive Cultural Resources Survey of a Proposed Waterline Distribution System in Pulaski County Water Supply District No. 2, Pulaski County, Missouri.* Center for Archaeological Research, Report No. 646 (with Kerry C. McGrath).
- 1984 *Archaeological Survey of Tree Removal Zones at Wilson's Creek National Battlefield.* Midwest Archaeological Center, National Park Service, Lincoln, Nebraska (with Susan M. Monk).
- 1985 *An Intensive Cultural Resources Survey of a Proposed Sewage Collection and Treatment System for the City of Collins, St. Clair County, Missouri.* Center for Archaeological Research, Report No. 637 (with Kerry C. McGrath).
- 1985 *An Intensive Cultural Resources Survey of Proposed Bingham Heights Housing Development in the City of Ozark, Christian County, Missouri.* Center for Archaeological Research, Report No. 654 (with David W. Benn).

- 1985 *Phase II Testing of Site 23OZ95 for a Proposed Sanitary Sewer Line Extension, City of Gainesville, Ozark County, Missouri.* Center for Archaeological Research, Report No. 655 (with Kerry C. McGrath).
- 1985 *Description of Cultural Resources and Test Excavations.* In: *A Cultural Resources Survey and Test Excavations in Mark Twain National Forest, Missouri: 1982-1983.* Edited by Burton L. Purrington, Center for Archaeological Research, Project No. 562.
- 1985 *Phase II Testing of Sites 23JP172, 23JP174, 23JP175 for a Sanitary Sewer Line, City of Carl Junction, Jasper County, Missouri.* Center for Archaeological Research, Report No. 662 (with David W. Benn).
- 1985 *An Intensive Cultural Resources Survey of 160 Acres to be Strip Mined by Peabody Coal Company, Henry County, Missouri.* Center for Archaeological Research, Report No. 679 (with David W. Benn).
- 1985 *An Intensive Cultural Resources Survey of Sappington Bridge Access (Vol. 1), Campbell Bridge Access (Vol. 2), Green Meadow Access (Vol. 3), Schlicht Spring Access (Vol. 4), Myrtle Access (Vol. 5), Buzzard Bluff Access (Vol. 6), and Blue Springs Access (Vol. 7) in Crawford, Franklin, Pulaski, Oregon, and Wright Counties, Missouri.* Center for Archaeological Research, Report No. 682 (with David W. Benn).
- 1985 *Chert Resources of the Lower Perche-Hinkson Drainage.* In: *Prehistory of the Lower Perche-Hinkson Drainage, Central Missouri Archaeological Investigations at the Columbia Regional Wastewater Treatment Facility.* Larry J. Schmits, editor. Environmental Systems Analysis, Inc., Overland Park, Kansas.
- 1986 *An Intensive Cultural Resources Survey of an Electrical Powerline Extension, Barry County, Missouri.* Center for Archaeological Research, Report No. 692 (with David W. Benn).
- 1986 *An Intensive Cultural Resources Survey for the Replacement of Bridge No. 692 over Clear Creek, Greene County, Missouri.* Center for Archaeological Research, Report No. 697 (with David W. Benn).
- 1986 *An Intensive Cultural Resources Survey of 360 Acres to be Strip Mined by Peabody Coal Company, Henry County, Missouri.* Center for Archaeological Research, Report No. 699 (with David W. Benn).
- 1986 *An Intensive Cultural Resources Survey of Two Proposed Wastewater Treatment Plant Sites and Trunk Lines for the City of Granby, Newton County, Missouri.* Center for Archaeological Research, Report No. 703 (with David W. Benn).
- 1986 *Phase II Testing of Site 23BY13 in Cassville City Park, Barry County, Missouri.* Center for Archaeological Research, Report No. 711 (with Kerry C. McGrath).
- 1986 *Cultural Resources Survey at Selected Locations, Table Rock Lake, Missouri and Arkansas.* Archeological Assessments, Report No. 49 (with W. Jack Bennett).

- 1987 *An Intensive Cultural Resources Survey for the Replacement of Allen Bridge (No. 221001.8) over Shoal Creek, Newton County, Missouri.* Center for Archaeological Research, Report No. 712 (with Kerry C. McGrath).
- 1987 *An Intensive Cultural Resources Survey for a Proposed Fire Station, Taney County, Missouri.* Center for Archaeological Research, Report No. 717 (with David W. Benn).
- 1987 *A Cultural Resources Survey of Locations in Butler, Carter, Oregon, Ripley, Shannon, and Wayne Counties in the Poplar Bluff, Doniphan, Van Buren, and Winona Districts, Mark Twain National Forest, Missouri: 1985-1986.* Center for Archaeological Research, Report No. 676 (with Kerry C. McGrath and David W. Benn).
- 1987 *A Cultural Resources Survey of Locations in Barry, Howell, Ozark, and Stone Counties in the Ava, Cassville, and Willow Springs Districts, Mark Twain National Forest, Missouri: 1985-1986.* Center for Archaeological Research, Report No. 676 (with Kerry C. McGrath and David W. Benn).
- 1987 *Cultural Resources Investigations: Terrace Survey and Site Evaluations at Table Rock Lake, Missouri and Arkansas.* Archeological Assessments Report No. 69 (with W. Jack Bennett and Anne F. Gettys).
- 1987 *A Cultural Resources Survey of Locations in Crawford, Dent, Douglas, Howell, Iron, Madison, Phelps, Pulaski, Reynolds, St. Francois, and Washington Counties in the Rolla, Salem, Fredericktown, Willow Springs, and Potosi Districts, Mark Twain National Forest, Missouri: 1987.* Center for Archaeological Research, Report No. 720 (with Kerry C. McGrath).
- 1987 *An Intensive Cultural Resources Survey of Proposed Wastewater System Improvements for Allgeier, Martin, and Associates in the City of Sweet Springs, Saline County, Missouri.* Center for Archaeological Research, Report No. 726 (with Kerry C. McGrath).
- 1987 *An Intensive Cultural Resources Survey of the Relocated Sac Trunk Sewerline for the City of Springfield, Greene County, Missouri.* Appendix to Center for Archaeological Research Report CAR-588. Center for Archaeological Research, Report No. 728 (with Kerry C. McGrath).
- 1988 *Historic Properties Survey in the Soap Creek Watershed, South-Central Iowa.* Center for Archaeological Research, Report No. 723 (with David W. Benn).
- 1988 *A Cultural Resources Survey of Locations in Butler, Carter, Ripley, Shannon, and Wayne Counties in the Doniphan, Poplar Bluff, and Winona Districts, Mark Twain National Forest, Missouri: 1988.* Center for Archaeological Research, Report No. 729 (with Kerry C. McGrath).

- 1988 *Phase II Testing of Sites 23GR539, 23GR600, and 23GR601 for the Sac River Trunk Sewer, City of Springfield, Greene County, Missouri.* Center for Archaeological Research, Report No. 734 (with Kerry C. McGrath and David W. Benn).
- 1988 *A Cultural Resources Survey of Locations in Boone, Callaway, Dent, Iron, Laclede, Pulaski, Reynolds, Ste. Genevieve, Texas, Washington, and Wright Counties in the Potosi, Fredericktown, Salem, Cedar Creek, Rolla, and Houston Districts, Mark Twain National Forest, Missouri: 1988.* Center for Archaeological Research, Report No. 745 (with Kerry C. McGrath).
- 1988 *An Intensive Phase I Cultural Resources Survey of the Woodland Lift, Bannister Road, and Goff Rancho Connector Sewerline Corridors for the City of Springfield, Greene County, Missouri.* Center for Archaeological Research, Report No. 750 (with Kerry C. McGrath).
- 1988 *A Cultural Resources Survey of Locations in Barry, Butler, Howell, Oregon, Ozark, Ripley, Shannon, Stone, and Wayne Counties in the Poplar Bluff, Winona, Willow Springs, Cassville, Doniphan, and Ava Districts, Mark Twain National Forest, Missouri.* Center for Archaeological Research, Report No. 753 (with Kerry C. McGrath).
- 1989 *Lithic Analysis.* In: *Excavations at the Priestly Site (3PO490): an Emergent Mississippian Community in Northeastern Arkansas*, edited by David W. Benn. Center for Archaeological Research, Report No. 740 (with Kerry C. McGrath and David W. Benn).
- 1989 *A Survey of Sheltered Sites in Flat, Bull, and Swan Creek Drainage Basins in Southwest Missouri: 1988–1989.* Center for Archaeological Research, Report No. 744 (with David W. Benn).
- 1989 *An Intensive Cultural Resources Survey of Proposed Wastewater System Improvements for the City of Forsyth, Taney County, Missouri.* Center for Archaeological Research, Report No. 771 (with Kerry C. McGrath).
- 1990 *A Cultural Resources Survey of Locations in Boone, Crawford, Howell, Iron, Reynolds, Ripley, Stone, Taney, and Washington Counties in the Potosi, Ava, Salem, Cedar Creek, Willow Springs, Cassville, and Doniphan Districts, Mark Twain National Forest, Missouri.* Center for Archaeological Research, Report No. 778 (with Kerry C. McGrath).
- 1990 *An Evaluation of Cultural Resources on the Turner Property, Riverdale Area, Christian County, Missouri.* Center for Archaeological Research, Report No. 781 (with Kerry C. McGrath).
- 1990 *An Intensive Cultural Resources Survey for the Replacement of Bridge No. 1692 over the South Fork of the Pomme de Terre River, Greene and Webster Counties, Missouri.* Center for Archaeological Research, Report No. 811 (with David W. Benn).

- 1990 *Phase II Testing at the Earth Day Site, 23WB280, in the Upper Pomme de Terre River Valley, Webster County, Missouri.* Center for Archaeological Research, Report No. 813 (with David W. Benn).
- 1990 *An Intensive Cultural Resources Survey for the Replacement of Bridge No. 2811 over Pickerel Creek, Greene County, Missouri.* Center for Archaeological Research, Report No. 823.
- 1990 *An Intensive Cultural Resources Survey for the Replacement of Bridge No. 803 over the Sac River, Greene County, Missouri.* Center for Archaeological Research, Report No. 832.
- 1991 *A Cultural Resources Survey of Selected Locations in the Ava, Cassville, Cedar Creek, Fredericktown, Houston, Potosi, Rolla, Salem, and Willow Springs Ranger Districts of Mark Twain National Forest, Missouri: 1990–1991.* Center for Archaeological Research, Report No. 824.
- 1991 *An Intensive Cultural Resources Survey of Selected Areas in Swan Lake National Wildlife Refuge, Chariton County, Missouri.* Center for Archaeological Research, Report No. 831.
- 1991 *Phase II Testing and Evaluation of National Register Eligibility of the Markham Spring (23WE667), Turners Mill (23OR119), and Falling Spring (23OR71) Sites in Wayne and Oregon Counties in the Poplar Bluff and Eleven Point Ranger Districts, Mark Twain National Forest, Missouri.* Center for Archaeological Research, Report No. 833 (with Kerry C. McGrath).
- 1991 *Phase II Test Excavations at the Prospect Spring site, 23GR711, near the Mouth of Pickerel Creek in Greene County, Missouri.* Center for Archaeological Research, Report No. 838 (with David W. Benn).
- 1991 *An Intensive Cultural Resources Survey for the Replacement of Bridge No. 867 over the Little Sac River, Greene County, Missouri.* Center for Archaeological Research, Report No. 845.
- 1991 *An Intensive Cultural Resources Survey for a Proposed Branson Industrial Park, Taney County, Missouri.* Center for Archaeological Research, Report No. 852.
- 1991 *An Intensive Cultural Resources Survey for the Replacement of Bridge No. 154RO4.5 over Bee Creek in Taney County, Missouri.* Center for Archaeological Research, Report No. 853.
- 1991 *An Intensive Cultural Resources Survey for the Proposed Springfield Material Recovery Facility, Greene County, Missouri.* Center for Archaeological Research, Report No. 854.
- 1991 *An Intensive Cultural Resources Survey for the Replacement of Bridge No. 1235 over the South Dry Sac River, Greene County, Missouri.* Center for Archaeological Research, Report No. 855.

- 1992 *Excavations at the Moon Site (3PO488), a Middle Mississippian Village in Northeastern Arkansas*, edited by David W. Benn. Center for Archaeological Research, Report No. 780 (with David W. Benn et al.).
- 1992 *Test Excavations at Selected Sheltered Sites in Flat, Bull, and Swan Creek Drainage Basins in Southwest Missouri*. Center for Archaeological Research, Report No. 805 (with David W. Benn).
- 1992 *A Preliminary Survey of Selected Trail Segments in the Hercules Glades Wilderness, Ava District, Mark Twain National Forest, Missouri*. Center for Archaeological Research, Report No. 840.
- 1992 *Phase II Test Excavations at Six Sites near Shoal Creek for the Realignment of Route 60 in Eastern Newton County, Missouri*. Center for Archaeological Research, Report No. 857.
- 1992 *Phase II Test Excavations at Sites 23SN775, 23SN776, and 23SN777 in Hobbs Hollow, Southern Stone County, Missouri*. Center for Archaeological Research, Report No. 886.
- 1992 *Phase II Test Excavations at Sites 23SN845 and 23SN846 in Cow Creek Hollow, Southern Stone County, Missouri*. Center for Archaeological Research, Report No. 887.
- 1992 *Lithic Industries: Raw Material Procurement and Use*. In: *Archeological Investigations in the Lower Lee Creek Valley*. Archeological Assessments, Report No. 181 (with W.J. Bennett, et al.).
- 1993 *Archeological Investigations at 3CR238: Lithic Procurement and Tool Production in the Upper White River Valley*. Archeological Assessments, Report No. 167 (with W. J. Bennett and J. D. Northcutt).
- 1993 *Excavations at the Casa Blanca Site (23NE198): An Early Archaic Upland Base Camp in Southwest Missouri*. Center for Archaeological Research, Report No. 888.
- 1993 *Archaeological Investigations at Fire Pit Cave (23SN871) in Dogwood Canyon, Southern Stone County, Missouri*. Center for Archaeological Research, Report No. 894.
- 1993 *Additional Investigations at the Buried Beneath Site (23GR539) and Adjacent Areas in the South Dry Sac Valley, Greene County, Missouri*. Center for Archaeological Research, Report No. 910.
- 1993 *An Intensive Cultural Resources Survey of the Green Springs Tract in Cedar County, Missouri*. Center for Archaeological Research, Report No. 948a.
- 1993 *An Intensive Cultural Resources Survey of the Goose Creek, Hackler Ford, Lead Mine, and Louisburg Tracts in Dallas County, Missouri*. Center for Archaeological Research, Report No. 948b.

- 1993 *An Intensive Cultural Resources Survey of the Davis Mill, Harrill Ford, and Orla Tracts in Laclede County, Missouri.* Center for Archaeological Research, Report No. 948c.
- 1993 *An Intensive Cultural Resources Survey of the Dry Fork Tract in Phelps County, Missouri.* Center for Archaeological Research, Report No. 948d.
- 1993 *An Intensive Cultural Resources Survey of the Lone Star Tract in Pulaski County, Missouri.* Center for Archaeological Research, Report No. 948e.
- 1993 *An Intensive Cultural Resources Survey of Camp Branch Access in Wright County, Missouri.* Center for Archaeological Research, Report No. 953.
- 1994 *Archaeological Investigations at Great Spirit Rockshelter (23SN866) in Dogwood Canyon, Southern Stone County, Missouri.* Center for Archaeological Research, Report No. 923.
- 1994 *An Intensive Cultural Resources Survey of a 7-Acre Tract at the Mouth of Fanncomb Hollow, Stone County, Missouri.* Center for Archaeological Research, Report No. 971.
- 1994 *Salvage Excavations at Little Indian Rockshelter (23SN921) in Southern Stone County, Missouri.* Center for Archaeological Research, Report No. 965.
- 1995 *An Archaeological and Geomorphological Survey of the Upper North Fork River Valley in Southern Missouri: 1993-1994.* Center for Archaeological Research, Report No. 861.
- 1995 *Archaeological Excavations at the Bass Site (23GR41B), Northeastern Greene County, Missouri.* Center for Archaeological Research, Report No. 952 (with Neal Lopinot).
- 1995 *An Archaeological Investigation at John Paul Cave (23CN758) in Northern Christian County, Missouri.* Center for Archaeological Research, Report No. 977.
- 1995 *An Archaeological Survey and Testing, Indian Bluff Golf Course, Southern Greene County, Missouri.* Center for Archaeological Research, Report No. 988 (with Neal Lopinot).
- 1996 *A Late-Prehistoric Neosho Tradition Occupation in the Spring River Valley of Lawrence County, Missouri.* Center for Archaeological Research, Report No. 979 (edited by Michael D. Conner).
- 1996 *An Intensive Survey and Limited Test Excavations in the Elk Fork Area, Mark Twain Lake, Monroe County, Missouri.* Center for Archaeological Research, Report No. 1020.
- 1997 *Additional Excavations at John Paul Cave (23CN758), Christian County, Missouri.* Center for Archaeological Research, Report No. 1022.
- 1997 *Archaeological Significance Testing at Eight Sites in Jackson, Lawrence, and Craighead Counties, Arkansas, for the Relocation of U.S. 67, AHTD Job No. RX00017.* Center for Archaeological Research, Report No. 982 (edited by Michael D. Conner).

- 1998 *Prehistoric and Historic Properties on Mitigation Lands, Horseshoe Lake Peninsula, Madison County, Illinois*. St. Louis District Historic Properties Management Report No. 55 (with Neal Lopinot, Michael Conner, and Jeffrey Yelton).
- 1998 *Phase I Survey of Busch and Tessmer Tracts, Franklin County, Missouri*. Center for Archaeological Research, Report No. 1023/1068 (with Larissa Thomas and David M. Quick).
- 1998 *A Diachronic Study of Chert Procurement and Utilization in the Upper Rolling Fork River Valley, Marion County, Kentucky*. Center for Archaeological Research, Report No. 1044.
- 1999 *A Geoarchaeological Study in the Upper Rolling Fork River Valley, Marion County, Kentucky*. Center for Archaeological Research, Report No. 1051.
- 1999 *An Intensive Cultural Resources Survey for Proposed Improvements of Republic Wastewater Facilities, Greene County, Missouri*. Center for Archaeological Research, Report No. 1087.
- 2000 *An Intensive Phase I Archaeological Investigation of the St. Vincent's College Tract in Cape Girardeau, Cape Girardeau County, Missouri*. Center for Archaeological Research, Report No. 1111 (with Gina Powell and Carolyn Leffler).
- 2002 *Survey and Test Investigations for the Replacement of West Huzzah Creek Bridge (J-570), Dent County, Missouri*. Center for Archaeological Research, Report No. 1211.
- 2002 *Phase II and Phase III Excavations at the Caverna Site (23MD142), McDonald County, Missouri*. Center for Archaeological Research, Report No. 1207/1216.
- 2003 *A Survey of Paleoindian Points from the Rolling Fork and Beech Fork Drainage Basins in Central Kentucky*. Center for Archaeological Research, Report No. 1209.
- 2004 *Phase III Investigations at the Walnut Shade Site (23TA708), Taney County, Missouri, MoDOT Job No. J8P0612*. Center for Archaeological Research, Report No. 1244 (edited by Michael D. Conner).
- 2008 *Data Recovery Investigations at the Noknee (23MO1203) and Allen (23Mo1229) Sites in Southern Madison County, Missouri*. Center for Archaeological Research, Report No. 1342.
- 2009 *Phase II Test Excavations at Three Sheltered Sites in Southwest Taney County, Missouri*. Center for Archaeological Research, Report No. 1378.
- 2009 *Preliminary Report on the 2009 Investigations at the Alley Mill Site and Branson Cave in Ozark National Scenic Riverways, Southeast Missouri*. Center for Archaeological Research, Report No. 1404 (with Rolfe D. Mandel).

- 2010 *Archaeological Investigations of the Horsethief Site (14HO308), Hodgeman County, Kansas.* Center for Archaeological Research, Report No. 1352 (with Neal H. Lopinot, A. Holly Jones, and David Byers).
- 2010 *Phase III Assessment of Sites 14CW342, Cambria (14CW352), and Second Cow Creek (14CW355), Crawford County, Kansas.* Center for Archaeological Research, Report No. 1405 (with Neal H. Lopinot and Dustin A Thompson).
- 2010 *National Register Evaluation of the Bear-Sac Site (23CE412), Cedar County, Missouri.* Center for Archaeological Research, Report No. 1416.
- 2010 *Section 110 Survey of Selected Sites at the Stockton Reservoir in Cedar County, Smithville Reservoir in Clinton and Clay Counties, and Longview Reservoir in Jackson County, Missouri.* Center for Archaeological Research, Report No. 1425 (with Marcie L. Venter, Gina Powell, Neal H. Lopinot, David I. Cain, and Dustin A Thompson).
- 2010 *Archaeological Inventory and Assessment of Wappapello Reservoir in Wayne and Butler Counties, Missouri.* Center for Archaeological Research, Report No. 1429 (with Marcie L. Venter, Dustin A Thompson, and Neal H. Lopinot).
- 2011 *The Long Branch Lake Curation Rehabilitation Project, Macon County, Missouri.* Center for Archaeological Research, Report No. 1434 (with Marcie L. Venter, Neal H. Lopinot, and Dustin A Thompson).
- 2011 *An Intensive Cultural Resources Survey of 62 Acres Adjacent to the Missouri River Bluffs in Southern Boone County, Missouri.* Center for Archaeological Research, Report No. 1461 (with Neal H. Lopinot, Dustin A Thompson, and Marcie L. Venter).
- 2012 *An Intensive Phase I Cultural Resources Survey of a Proposed Borrow Area for State Route PP Bridge Replacement and Realignment, Butler County, Missouri.* Center for Archaeological Research, Report No. 1483.
- 2012 *Odyssey 2012 Investigations at the Coffey Site.* Center for Archaeological Research, Report No. 1492 (with Rolfe D. Mandel).
- 2013 *An Archaeological Survey and Assessment of a 12-Acre Borrow Area in Benton County, Arkansas.* Center for Archaeological Research, Report No. 1504 (with Dustin A Thompson).
- 2013 *Odyssey 2013 Investigations at the Coffey Site.* Center for Archaeological Research, Report No. 1507 (with Rolfe D. Mandel).
- 2013 *An Archaeological Survey and Assessment of Chert Extraction Sites in the Vicinity of Peoria Quarry, Ottawa County, Oklahoma.* Center for Archaeological Research, Report No. 1485.

- 2014 *Test Excavations at Skull Cave on Upper Turnback Creek, Lawrence County, Missouri.* Center for Archaeological Research, Report No. 1445.
- 2014 *An Archaeological Survey and Assessment of Chert Extraction Localities and Other Sites in the Pinnacles Area of Van Meter State Park, Saline County, Missouri.* Center for Archaeological Research, Report No. 1493.
- 2014 *Test Excavations at Smallin Cave (23CN6) in Christian County, Missouri.* Center for Archaeological Research, Report No. 1511.
- 2014 *Test Excavations at Christina Mound (23PO1468) in Polk County, Missouri.* Center for Archaeological Research, Report No. 1518.
- 2014 *2014 Investigations at the Coffey Site (14PO1), Northeastern Kansas.* Center for Archaeological Research, Report No. 1532 (with Rolfe D. Mandel).
- 2014 *An Intensive Phase I Cultural Resources Survey of Proposed Stokes Road Bridge Replacement Over Little Dry Wood Creek, Vernon County, Missouri.* Center for Archaeological Research, Report No. 1530.
- 2015 *An Intensive Phase I Cultural Resources Survey for Proposed Crossroads Industrial Park, Jasper County, Missouri.* Center for Archaeological Research, Report No. 1528.
- 2015 *An Intensive Phase I Cultural Resources Survey around Area A of the Surprise Sinkhole Site (23WB222), Webster County, Missouri.* Center for Archaeological Research, Report No. 1537.
- 2015 *Test Excavations at the Horseshoe Sinkhole Site (23LA1313) in Lawrence County, Missouri.* Center for Archaeological Research, Report No. 1539 (with Stephen Dyle).
- 2015 *An Intensive Cultural Resources Survey for the Beacon Village, Phase II Project in Springfield, Greene County, Missouri.* Center for Archaeological Research, Report No. 1544.
- 2015 *Additional Phase II Testing of 23WR2124, Stairstep Road Realignment and Bridge Replacement over Whetstone Creek, Wright County, Missouri (with Dustin A. Thompson).* Center for Archaeological Research, Report No. 1546.
- 2016 *Assessing National Register Eligibility of Precontact Sites in Mark Twain National Forest (with Neal H. Lopinot and Dustin A. Thompson).* Center for Archaeological Research, Report No. 1520.
- 2016 *Test Investigations at the Three Finger Bay Site (34MY2/55), Mayes County, Oklahoma (with Neal H. Lopinot).* Center for Archaeological Research, Report No. 1523.

2016 *Test Excavations at an Osage Indian Hunting Camp (23CN2100) in Christian County, Missouri*. Center for Archaeological Research, Report No. 1549.

PAPER PRESENTATIONS

- 1984 An Overview of Chipped Stone Resources in Southern Missouri. Paper presented at the 2nd Conference on Prehistoric Chert Exploitation, March 29–30, Carbondale, Illinois; and at the 49th Annual Meeting of the Missouri Archaeological Society, April 4–6, Columbia.
- 1985 A Preliminary Survey of Pitkin Chert Artifacts in Southern Missouri. Paper presented at the 50th Annual Meeting of the Missouri Archaeological Society, April 12–14, Columbia.
- 1989 A Survey of Sheltered Sites in Flat, Bull, and Swan Creek Drainage Basins in Southwest Missouri. Paper presented at the 54th Annual Meeting of the Missouri Archaeological Society, April 28–30, Columbia.
- 1990 An Updated Survey of Chipped Stone Resources in the Missouri Ozarks. Paper presented at the 55th Annual Meeting of the Missouri Archaeological Society, May 4–6, Sedalia.
- 1991 Test Excavations at the Falling Spring Site in Oregon County, Missouri. Paper presented at the 56th Annual Meeting of the Missouri Archaeological Society, April 5–6, Columbia.
- 1991 A Review of Chipped Stone Resources in the Ozarks Region of Missouri and Arkansas. Paper presented at the 2nd Annual Meeting of the Ozarks Workshop Conference, Springfield.
- 1992 Survey and Test Excavations of Sheltered Sites in Southwest Missouri. Paper presented at the Southeastern Archaeological Conference, October 21–24, Little Rock.
- 1993 Excavations at the Casa Blanca Site in Newton County, Missouri. Paper presented at the 58th Annual Meeting of the Missouri Archaeological Society, April 4–5, Columbia.
- 1993 Excavations at an Early Archaic Upland Base Camp in Southwest Missouri. Paper presented at the Society for American Archaeology Conference, April 14–18, St. Louis.
- 1994 Test Excavations at Selected Sheltered Sites in Flat, Bull, and Swan Creek Drainage Basins in Southwest Missouri. Paper presented at the 59th Annual Meeting of the Missouri Archaeological Society, March 26–27, Springfield.
- 1994 Lithic Resource Procurement and Use in Southeast Missouri: Evidence from the Hayti Bypass Site. Paper presented at the Southeastern Archaeological Conference, November 2–5, Lexington.

- 1994 Site Structure and Lithic Analysis at the Hayti Bypass Site in Southeast Missouri (with Michael D. Conner). Paper presented at the Southeastern Archaeological Conference, November 2-5, Lexington.
- 1995 An Analysis of Early Archaic Chert Exploitation at the Bass Site in Greene County. Paper presented at the 60th Annual Meeting of the Missouri Archaeological Society, March 31-April 2, Columbia.
- 1995 Archaeological and Geomorphological Investigations in the North Fork River Valley, Southern Missouri. Paper presented at the Southeastern Archaeological Conference, November 8-11, Knoxville.
- 1996 Geomorphology and Archaeology in the Upper North Fork River Valley, Southern Missouri. Paper presented at the Society for American Archaeology Conference, April 10-14, New Orleans.
- 1996 Geomorphology and Archaeology in the Upper North Fork River Valley, Southern Missouri. Paper presented at the Missouri Archaeological Society Meeting, April 19-21, Fetus.
- 1996 The Hogan Creek Site and the Problem of Side-Notched Chronology in Southwest Missouri (poster session with Neal H. Lopinot). Paper presented at the Southeastern Archaeological Conference, November 6-9, Birmingham.
- 1997 Test Excavations at John Paul Cave, a Deeply Stratified Sheltered Site in Southwest Missouri. Paper presented at the Society for American Archaeology Conference, April 2-6, Nashville.
- 1997 The Big Eddy Site: A Deeply Stratified Alluvial Site in Southwest Missouri with Clovis and Dalton Components. Paper presented at the Southeastern Archaeological Conference, November 5-8, Baton Rouge.
- 1998 Stratified Clovis and Dalton Components at the Big Eddy Site, Southwest Missouri. Paper presented at the Society for American Archaeology Conference, March 25-29, Seattle.
- 1998 Stratified Clovis and Dalton Components at the Big Eddy Site. Paper presented at the Missouri Archaeological Society Meeting, April 19-21, Hannibal.
- 1998 The Big Eddy Site: A Deep, Stratified Multicomponent Paleoindian Camp on the Plains-Woodlands Border. Paper presented at the 56th Annual Plains Anthropological Conference, October 14-17, Bismarck.
- 1998 Site Formation and Technological Adaptation at the Big Eddy Site. Paper presented at the 31st Annual Chacmool Conference, November 11-13, Calgary, Alberta.

- 1999 A Diachronic Study of Chert Resources in the Upper Rolling Fork River Valley, Marion County, Kentucky. Paper presented at the Kentucky Heritage Council Conference, February 26–28, Lexington, Kentucky.
- 1999 Temporal, Spatial and Technological Variability at Big Eddy (poster session with Neal Lopinot). Poster paper presented at the Society for American Archaeology Conference, March 25–29, Chicago.
- 1999 Recent Radiocarbon Dates Associated with Projectile Points from Selected Sites in Southern Missouri. Paper presented at the Missouri Archaeological Society Meeting, April 16–18, Columbia.
- 1999 Temporal, Spatial and Technological Variability at Big Eddy (poster session with Neal Lopinot). Poster paper presented at the Clovis and Beyond Conference, October 29–30, Santa Fe.
- 2000 A Geoarchaeological Study and Preliminary Model of Terrace Formation in the Upper Rolling Fork River Valley, Marion County, Kentucky. Paper presented at the Kentucky Heritage Council Conference, February 25–27, Bowling Green, Kentucky.
- 2000 Pre-Clovis Discoveries at the Big Eddy Site. Paper presented at the Missouri Archaeological Society Meeting, April 14–16, Lees Summit.
- 2000 Investigations of Pre-Clovis-Age Deposits at the Big Eddy Site, Southwest Missouri. Paper presented at the joint meeting of the Midwest Archaeological and 58th Plains Anthropological Conferences, November 9–12, St. Paul, Minnesota.
- 2001 Exotic Eastern Plains Cherts at the Dahlman and Big Eddy Sites in Southwest Missouri. Paper presented at the joint meeting of the 43rd Caddo and 23rd Flint Hills conferences, March 15–18, Norman, Oklahoma.
- 2001 The White and the Gray: Geochemical Analysis of Midwestern Chert (poster session with Robert Speakman and Michael Glascock). Poster paper presented at the Society for American Archaeology Conference, April 19–22, New Orleans.
- 2001 Archaic Components at the Big Eddy Site: Previous Findings and Upcoming Excavations. Paper presented at the Missouri Archaeological Society Meeting, April 27–29, Columbia.
- 2002 Raw Material Use During Paleoindian and Archaic Times. In symposium, Big Eddy: Chronology, Paleoenvironments, and Early Human Adaptation along the Woodland-Plains Border. Paper presented at the Society for American Archaeology Conference, March 20–24, Denver.
- 2002 Terminal Pleistocene Archaeological and Botanical Evidence from the Big Eddy Site, Southwest Missouri. Paper presented at the Missouri Archaeological Society Fall Symposium: Paleoindian. September 21, Mastodon State Park.

- 2002 Late Paleoindian (Dalton-San Patrice) Interaction at the Big Eddy Site in Southwest Missouri. Paper presented at the 60th Annual Plains Anthropological Conference, October 23–26, Oklahoma City.
- 2003 A Survey of Paleoindian Points from the Rolling Fork and Beech Fork Drainage Basins in Central Kentucky. Kentucky Heritage Council Conference, March 1–2, Louisville, Kentucky
- 2003 Summer 2002 Big Eddy Site Investigations in Paleoindian and Pre-Clovis-age Deposits. Paper presented at the Missouri Archaeological Society Meeting, April 25–27, Columbia.
- 2004 Workshop on Chert Resources from the Western Ozarks and Adjacent Eastern Border of the Central Plains, *and* Late Prehistoric Quarries along the Western Ozarks Border. Paper presented at the 26th Annual Flint Hills Archaeological Conference, March 26–27, St. Joseph, Missouri
- 2004 Late Prehistoric Occupations at Henson Cave in McDonald County. Paper presented at the Missouri Archaeological Society Meeting, April 16–18, St. Louis.
- 2004 A Younger Dryas Carbon Isotope Record from Soil Organic Matter on the Southern Margin of the Prairie Peninsula. Poster paper presented at the 18th Biennial Meeting of the American Quaternary Association, Lawrence, Kansas.
- 2004 The Archaic Sequence at Big Eddy. Paper presented at the Missouri Archaeological Society Fall Symposium: Archaic. August 28, Columbia.
- 2005 The Early Archaic Sequence at the Big Eddy Site in Missouri. Paper presented at the Society for American Archaeology Conference, March 30–April 3, Salt Lake City.
- 2006 Late Paleoindian Aggregation at the Big Eddy Site. Paper presented at the 64th Annual Plains Anthropological Conference, November 8–11, Topeka.
- 2006 Quartzites of the Ozark Highlands of Missouri and Illinois. Paper presented at the 52nd Annual Midwest Archaeological Conference, October 14, Urbana, Illinois (with Brad Koldehoff).
- 2007 Big Eddy Site: The Final Chapter. Paper presented at the Missouri Archaeological Society Meeting, March 30–April 1, Lake of the Ozarks.
- 2007 Middle Woodland Use of Obsidian in Missouri. Paper presented at the Missouri Archaeological Society Archaeology Fall Symposium: The Woodland Period. September 8, Arrow Rock State Park.
- 2007 Ozarks Chipped-Stone Resources in Northern Arkansas. Paper presented at the Arkansas Archeological Society Meeting, September 28–30, Mountain View.

- 2008 Preferred Chipped-Stone Resources in Southwest Missouri. Paper presented at the Missouri Archaeological Society Meeting, April 5-6, Springfield.
- 2008 Staged Reduction of High-Quality Rhyolite at the Allen Site: A Late Archaic Workshop in Southern Madison County, Missouri. Paper presented at the Missouri Archaeological Society Fall Symposium: Ozarks Lithics. September 27, Meramec State Park.
- 2009 Staged Reduction of High-Quality Rhyolite at the Allen Site: A Late Archaic Workshop in Southern Madison County, Missouri. Paper presented at the Missouri Archaeological Society Meeting, April 3-5, Lake of the Ozarks.
- 2009 Late Paleoindian Occupations at the Alley Mill Site, Shannon County, Missouri. Paper presented at the Missouri Archaeological Society Archaeology Fall Symposium: Paleoindian. October 3, Thousand Hills State Park.
- 2010 Alley Mill Site Revisited: Additional Insights into Prehistoric Occupations at Alley Mill, Shannon County, Missouri. Paper presented at the Missouri Archaeological Society Meeting, March 19-21, Excelsior Springs.
- 2010 Late Paleoindian Occupations at the Big Eddy and Alley Mill Sites in Southern Missouri. Paper presented at the Society for American Archaeology Meeting, April 15-18, St. Louis.
- 2010 The Big Eddy Site: A Multiyear and Multidisciplinary Research Project in the Sac River Valley of Southwest Missouri. Paper presented at the Missouri Archaeological Society Archaeology Fall Symposium. September 18, Arrow Rock State Park.
- 2011 Raw Material Exploitation at Wappapello Lake, Wayne County, Missouri. Paper presented at the Missouri Archaeological Society Meeting, March 8-10, Springfield.
- 2012 Chert Hill and Malchan Hill: Two Previously Undocumented High-Quality Chert Sources in the Central Range of Trinidad. Poster paper presented at the Society for American Archaeology Meeting, April 18-22, Memphis.
- 2013 Excavations at the Horseshoe Fossil Spring Site. Paper presented at the Missouri Archaeological Society Meeting, March 15-17, Lake of the Ozarks.
- 2014 Calf Creek on the Eastern Horizon. Paper presented at the Missouri Archaeological Society Meeting, April 4-6, Lake of the Ozarks.
- 2014 Calf Creek on the Eastern Horizon. Paper presented at the Society for American Archaeology Meeting, April 23-27, Austin.
- 2015 Pimple Mounds in Southern Missouri: Cultural or Natural? Paper presented at the Missouri Archaeological Society Meeting, April 10-12, Lake of the Ozarks.

2015 The Big Eddy Site: A Deep, Stratified Multicomponent Site in the Sac River Valley of Southwest Missouri. Paper presented at the Ninth Annual Ozarks Symposium: The Lure of the Ozarks, September 18-19, West Plains.

2016 Stratified Lithic Workshops at the Sugar Potato Site in Van Meter State Park. Paper presented at the Missouri Archaeological Society Meeting, April 1-3, Springfield.
